### Library Lovers Month

February is national Library Lovers Month!

This is the month to celebrate everything libraries do for their communities! To celebrate, we want to hear from you. At all of our service desks in the month of February, there will be hearts that you can fill out to tell us why you love your library! We will post these throughout the library for all to enjoy.

## Crafty Creators

Wednesday, February 21st

Join us each month to try new crafts. As adults, crafting and finding new hobbies can be time consuming and expensive, this group will help cut down on the costs and the time spent figuring out how to do something. We will have craft kits with instructions and all the materials you need available for a new craft each month. You

can start working on it right then at the library, or take home a kit to try from home later! Registration is highly suggested, but not required.
