Crafty Creators

Join us each month to try new crafts. As adults, crafting and finding new hobbies can be time consuming and expensive, this group will help cut down on the costs and the time spent figuring out how to do something. We will have craft kits with instructions and all the materials you need available for a new craft each month. You can start working on it right then at the library, or take home a kit to try from home later! Registration is highly suggested, but not required.

This month's craft is Chalkboard Paint Pots!
